SUMMARY

Motivated Computer Science student with an interest in Java programming and software development. Strong focus on improving technical skills through practical learning and real-world projects. Experience in developing an Agriculture Equipment Rental System as an academic project, along with completion of a Data Science internship with hands-on exposure.

EDUCATION

B.E Computer Science And Engineering <i>Rathinam Technical Campus</i> CGPA: 8.93	2023 – Present Coimbatore
Higher Secondary <i>PMG Matric Hr. Sec. School</i> Grade: 84%	2022 – 2023 Coimbatore
Secondary School <i>PMG Matric Hr.Secondary.School</i> Grade: 94%	2020 – 2021 Coimbatore

TECHNICAL SKILLS

- Languages: Java,DBMS
- Tools: Selenium, Excel,PowerBI

PROJECTS

Agriculture Equipment Rental System

Developed a full-stack web application that enables farmers to browse, book, and rent agriculture equipment online. Built secure REST APIs using Java Spring Boot with MVC architecture, MySQL database with JPA/Hibernate ORM, and BCrypt password authentication. Integrated UPI QR code payment system with transaction verification, automated PDF invoice generation

INTERNSHIPS

Data Science <i>Sabudh Foundation</i> Analyzed and cleaned datasets to improve data quality and accuracy. Built and tested machine learning models using real-world data. Performed data analysis to identify useful patterns and insights. Created visualizations and reports to present findings effectively.	01/2026 – Present Online
Web Designing <i>ETS Academy, Erode</i> Web Design Intern – Designed and developed responsive and user-friendly web pages using modern web technologies. Created visually appealing layouts and improved website usability across different devices. Collaborated on website design and testing to ensure a smooth user experience.	Erode, Offline

ACHIEVEMENTS

2nd place in paper presentation
PA college

Participated in 24hrs Hackathon (Trixathon)

SOFT SKILLS

- Time Management
- Team Collaboration
